Summary of changes 540, 541
Hospitals and medical care 577–603
Accreditation of hospitals 588, 595
American Nurses Association, statement by 1147–1151
Appropriation estimate and comparison 577, 578
Bureau of the Budget halting of hospital repairs and alterations 1141–1145, 1743–1749
Equipment needs 590, 591, 593, 595, 596
Executive branch estimate reduction, effect of 581, 589, 594–602
History of 1959 estimate 594
House action, effect of 579, 586–588
Inpatient load, estimate reduced 589
Leprosy 579, 586–588, 597
Letters recommending additional funds for medical care 600–603, 1775
Letters urging increased funds for nurses training 1152–1169, 1757–1760
Medical care of merchant seamen 585–587
New positions requested 578
Nurses training 580–582
Personnel deficiencies 588, 589, 595
Purpose and accomplishments 585
Research 588, 590, 596, 597
Summary of changes 578, 579
Training 580–584, 596
Indian health activities 614–634
Appropriation estimate and comparison 614, 615
Contract hospitals 404, 619, 624, 1719–1721
Executive branch estimate reduction, effect of 624, 625
Hospital accreditation 626
Hospital construction 616, 623
Housing 402, 404, 618, 623
Increased hospital use 620, 623
Indian organizations, statements:
Additional immediate needs for Navaho reservation 1176, 1179, 1184, 1185
Improvement under Public Health Service 1178
Increasing workloads 1177, 1179
Morbidity rates, comparison with total United States population 1188, 1194
Navaho tribal expenditures for health assistance 1180, 1181
Recommendation for additional funds 1174
Survey on Indian health 1174

Health, Education, and Welfare, Department of—Continued
Public Health Service—Continued
Indian health activities—Continued Page
Letter supporting 1788
Morbidity, high level of 618–619, 629–633
Needs 402, 621
Personnel needs 621, 622
Progress 616–618
Sanitation 617
Statements recommending increased funds:
Association of State and Territorial Health Officers 1353–1356, 1408, 1409, 1411, 1416
National Tuberculosis Association 1367, 1368, 1370, 1371
Senator Mansfield 1569, 1570
Senator Murray 1466, 1469
Summary of changes 615
Trachoma 619, 627
Tuberculosis 402, 617, 619, 620, 622, 623, 627
Indian health facilities, construction of 634–644
Appropriation estimate and comparison 634, 635
Construction projects by city 642–644
Executive branch estimate reduction, effect of 403, 636, 637, 642–644
House action, effect of 636, 641, 652
Letters urging construction 1210, 1211
Letters supporting construction program 1760–1761
Planning problems 638–640
Statements recommending increased funds:
Association of State and Territorial Health Officers 1353, 1354, 1357, 1358
National Tuberculosis Association 1368, 1371
Senator Barrett 1719–1721
Senator Murray 1466, 1469, 1470
Summary of changes 636
National Institutes of Health:
Allergy and infectious disease activities 942–974
Appropriation estimate and comparison 942, 943
Asian influenza 945
Gorgas Memorial Laboratory 949, 952–957
Grants:
Continuation, funds required for 972
Graduate training 950, 951, 972
Research 948, 956, 967, 968, 970
House action, effect of 944, 945, 950
Letters urging increases:
American Hospital Association 973, 974
American Foundation for Tropical Medicine 1389
Middle America Research Unit 946, 951–957, 961
Research:
Recent advances 961–972
Aging 875, 878
Allergy and immunology 948, 966–969, 973, 974
Cystic fibrosis 945, 973, 1341–1348
Germ free studies 949, 969–972
Malaria 947, 957, 958, 964
Staphylococcus 379, 1448
Tick fever 946
Tuberculosis 948
Viruses 946–947
Yellow fever 949, 953
Rocky Mountain Laboratory, statement on need of animal quarters 1465, 1467, 1469, 1569
Shift in program emphasis 945
Statements recommending increased research funds:
Livingston Ferrand, professor and chairman 1381–1383, 1387, 1389
Members of Advisory Council, National Institute of Allergy and Infectious Diseases 1437–1450

Health, Education, and Welfare, Department of—Continued

National Tuberculosis Association 1367
Statements recommending increased training grant funds:
National Advisory Allergy and Infectious Disease Council 1444, 1446, 1448–1450
Summary of changes 943, 944
Training 945, 950, 951, 972
1957 accomplishments 934
Arthritis and metabolic disease activities 909–941
Appropriation estimate and comparison 909, 910
Diabetes 915–917, 926, 928–931, 1513, 1518–1520, 1528–1531
Grants:
Continuation, funds required for 938
Research 914, 936, 938, 939, 941, 1512, 1528, 1542, 1543
Training 939, 940, 1512, 1518, 1525, 1533, 1542, 1543–1556
House action, effect of 912, 920, 936
New positions requested 911
Program summary 912, 913
Research:
Recent advances 920–926, 935
Aging 879, 880
Areas, new 913, 914
Arthritis 931, 932, 1511
Diabetes 915–917, 930, 931, 1513, 1518–1520, 1528–1531
Galactosemia 919, 932
Gastroenterology 912, 936–938, 1521
Metabolism: Mocecular diseases 918–920
Physical biology 940, 941
Rheumatic diseases 917, 918
Statements recommending increased funds:
American Gastroenterological Association 1515–1533
Study Committee on Biophysics and Biophysical Chemistry 1533–1556
Medical school representatives 1507–1533
Summary of changes 911
Training 912, 936, 939, 940
1957 accomplishments 935
Cancer Institute, National 723–788
Allocations of grant-in-aid 726
Appropriation estimate and comparison 724
Basic research, value of and need for 746–747
Chemotherapy, treatment of cancer by:
Program background 734–740, 1619, 1621, 1630
Research 731, 732, 751, 753, 763, 783, 1621, 1624, 1627, 1628, 1662, 1672.
Continuation grants, funds required for 764
Cooperation with other governmental agencies 748
Cytology, discovery of cancer by:
Distribution of funds 746
Program background 740–746
Research 732, 733, 741–743, 761, 783
House action, effect of 725, 727, 734
Indirect costs, payment 768, 1603, 1607, 1612
International interchange in medical research 771–780, 1632, 1633, 1635, 1636
Leukemia 758, 782, 1628
